

Internship at Scandinavian House Foundation

Do you want to help us bring some more Scandinavian culture to Budapest?

Do you have an idea in mind for our next event?

Scandinavian House's internship programme offers eligible students the opportunity to acquire practical experience in the organization's work. As a Hungarian NPO, our foundation is active in creating value via cultural activities, languages courses, and supporting collaboration between Scandinavian and Hungarian stakeholders.

Eligibility Requirements

To be considered for an internship, applicants must meet following requirements:

Be enrolled in an undergraduate, graduate or Ph.D. degree programme at a university within the European Union.

Be available in Budapest for the full length of the internship.

Be proficient in English and/or Hungarian. Fluency in any Scandinavian language is an asset.

Focus Area

Graphic Design

Are you confident editing photos and using different design software? Are you studying graphic design / photography or anything related and would like to get hands-on experience in the field?

If so, this might be just the perfect opportunity for you!

By doing a graphic design internship at Scandinavian House Foundation, you will make a difference from the very first minute and will be actively involved in the preparations for our events in 2020.

The internship offers valuable experience in designing posters, banners and flyers for both print and online purposes, with your work reaching a large audience.

The position is for 3 months, with expected start in April 2020 and can be prolonged for further projects as well. If you are interested, please send your CV and a short introduction to info@skandinavhaz.hu with the subject line "Internship 2020".

The application period ends on 22 March 2020.
